

# 1ST NAILSEA ADVENTUROUS ACTIVITIES

SEPTEMBER 2019 · NEWSLETTER

## WELCOME

Welcome to the new 1NAA newsletter.

We plan to send a newsletter at the start of each new term to keep you updated on the fun we have been getting up to and let you know our future dates.

Check out the **NEWS** page on our website for more photos and full reports of our previous sessions.

A huge THANK YOU to our instructors who make these sessions happen- if you want to get involved in assisting or running an activity get in touch.

Alex Bolton

## FIRST FEW MONTHS

1st Nailsea has a strong history of kayaking with the Kayaking Club running for many years. In recent time sessions have reduced to the Summer months after we no longer had the use of a pool.

The idea of 1NAA was launched in May this year with the aim to revive the aim of the kayak club but with a broader range of activities so that a larger pool of instructors can be involved.

As you can see from our photos 1NAA has had a fantastic start. Cubs from all 3 packs have taken part in our initial archery session and are looking forward to the next.

We have bought tomahawks and targets so we can now run tomahawk throwing sessions.

Our instructors are working towards gaining more qualifications.

We have had a busy Summer with raft building, kayaking, archery and tomahawk throwing all being run for Cub and Scout Sections.

## GET OUTDOORS: SIGN UP

Head to the website to sign up for the sessions-

Further details can be found there including location and timings.

Don't forget to check back for more sessions as they are added.

## UPCOMING SESSIONS:

We run extra sessions for our Scout Group in the adventurous theme including but not limited to:

tomahawk throwing, archery, kayaking, raft building, hiking, geocaching, aerial runway.

The sessions are ad hoc meaning we fit them in around the program as an optional extra.

Over time we want to run various sessions for Beavers, Cubs and Scouts and some sessions will be a mixture! We think this is amazing as everyone gets to know each other a bit more within the Group.

**27-SEPT**

Archery 7pm  
*(Cub & Scout)*

**12-OCT**

Tomahawk Throwing 10am  
*(Cub & Scout)*
